

Questionnaire on Instructors' Knowledge of Students' Names

Study information: We are investigating how being addressed by name by instructors may influence your learning climate, your motivation, and your performance. The completion time of the questionnaire is approximately 10–15 minutes. Please take sufficient time and answer each question to the best of your knowledge.

• The collected data will be recorded anonymously.

• It will not be possible to trace responses back to individual persons after completion of the study.

Participation is voluntary. You may withdraw at any time without giving reasons.

For reasons of readability, the generic masculine form is used in this questionnaire; all personal designations explicitly include all genders.
